# Addendum to the 2014/5774 Shem Tov Award Recipients:

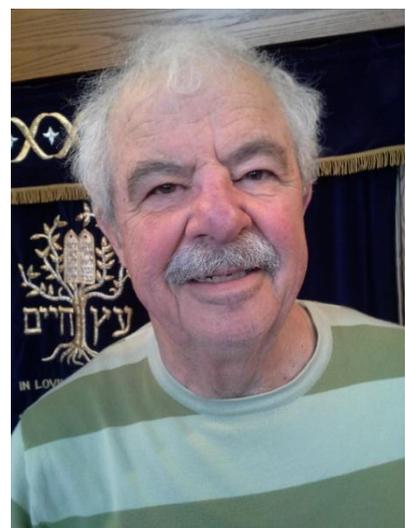

## **Norm Kushner** – Jewish Federation of New Hampshire

Norm Kushner has served as the Annual JFNH Campaign Chairperson, and has been the treasurer and a member of the JFNH Foundation Board of Trustees. He is the past recipient of the Jewish Federation of New Hampshire Wallin Young Leadership Award. His other achievements include serving as a member of the board of AWA, on the advisory board of Chronos, as a member of JBT (a trade organization), and as president of Swiss Watch Consultants.

## **Mervyn Taub** – Temple Israel, Manchester

Mervyn was born and raised in Bulawayo, the second city of Rhodesia. Bulawayo had a vibrant Jewish community in which his parents were very active. He went to University and after earning his Bachelor Degree from the University of Cape Town, went on to get his Master's Degree from the London School of Economics. He and his wife Sharon emigrated to the US in 1977 and came to Bedford in 1986. They have both been well involved in Jewish life and have been members of Temple Israel since their arrival here. Their sons Daniel and Gideon were educated in Manchester and had their Bar Mitzvahs at Temple Israel. Of special note: A few years ago, our Cemetery Trust Committee members passed away. We were in need of someone to step up and take over the reins. Merv was the man of the hour. He reorganized the process and improved upon the grave site referencing program. He has been a wonderful Chairman of this committee in addition to his many contributions to Temple Israel, this one stands out. It is with great pleasure that we honor Mervyn with this year's Shem Tov award.

*Correction: Barbara Brown was the Grafton County Volunteer of the year, not the Citizen of the Year.*
